Contract for Service of Lobbyists 2013

Attachments:

Yes

Description:

The contract for lobbying services provided to Hyde County in 2012 will expire on December 31st. This contract was awarded in cooperation with Beaufort and Pamlico Counties for the joint purpose of opposing the addition of and increases in ferry tolls to Ocracoke. As a result of this effort, tolls were not placed on the Hatteras/Ocracoke ferry service, however the moratorium issued by the Governor for increasing tolls will expire in 2013. Beaufort County has decided to renew their contract and has invited Hyde County to partner with them once again. The total cost is \$10,000, with \$300 due at signing. The \$300 fee was paid last year by the Hyde County Chamber

of Commerce, and the Ocracoke Occupancy Tax Board paid the rest.

§ 143-318.11. Closed sessions.

- (a) Permitted Purposes. It is the policy of this State that closed sessions shall be held only when required to permit a public body to act in the public interest as permitted in this section. A public body may hold a closed session and exclude the public only when a closed session is required:
 - (1) To prevent the disclosure of information that is privileged or confidential pursuant to the law of this State or of the United States, or not considered a public record within the meaning of Chapter 132 of the General Statutes.
 - (2) To prevent the premature disclosure of an honorary degree, scholarship, prize, or similar award.
 - (3) To consult with an attorney employed or retained by the public body in order to preserve the attorney-client privilege between the attorney and the public body, which privilege is hereby acknowledged. General policy matters may not be discussed in a closed session and nothing herein shall be construed to permit a public body to close a meeting that otherwise would be open merely because an attorney employed or retained by the public body is a participant. The public body may consider and give instructions to an attorney concerning the handling or settlement of a claim, judicial action, mediation, arbitration, or administrative procedure. If the public body has approved or considered a settlement, other than a malpractice settlement by or on behalf of a hospital, in closed session, the terms of that settlement shall be reported to the public body and entered into its minutes as soon as possible within a reasonable time after the settlement is concluded.
 - (4) To discuss matters relating to the location or expansion of industries or other businesses in the area served by the public body, including agreement on a tentative list of economic development incentives that may be offered by the public body in negotiations. The action approving the signing of an economic development contract or commitment, or the action authorizing the payment of economic development expenditures, shall be taken in an open session.
 - (5) To establish, or to instruct the public body's staff or negotiating agents concerning the position to be taken by or on behalf of the public body in negotiating (i) the price and other material terms of a contract or proposed contract for the acquisition of real property by purchase, option, exchange, or lease; or (ii) the amount of compensation and other material terms of an employment contract or proposed employment contract.
 - (6) To consider the qualifications, competence, performance, character, fitness, conditions of appointment, or conditions of initial employment of an individual public officer or employee or prospective public officer or employee; or to hear or investigate a complaint, charge, or grievance by or against an individual public officer or employee. General personnel policy issues may not be considered in a closed session. A public body may not consider the qualifications, competence, performance, character, fitness, appointment, or removal of a member of the public body or another body and may not consider or fill a vacancy among its own membership except in an open meeting. Final action making an appointment or discharge or removal by a public body having final authority for the appointment or discharge or removal shall be taken in an open meeting.
 - (7) To plan, conduct, or hear reports concerning investigations of alleged criminal misconduct.
 - (8) To formulate plans by a local board of education relating to **emergency response** to incidents of school violence.
 - (9) To discuss and take action regarding plans to protect public safety as it relates to existing or potential terrorist activity and to receive briefings by staff members, legal counsel, or law enforcement or emergency service officials concerning actions taken or to be taken to respond to such activity.
 - (b) Repealed by Session Laws 1991, c. 694, s. 4.
- (c) Calling a Closed Session. A public body may hold a closed session only upon a motion duly made and adopted at an open meeting. Every motion to close a meeting shall cite one or more of the permissible purposes listed in subsection (a) of this section. A motion based on subdivision (a)(1) of this section shall also state the name or citation of the law that renders the information to be discussed privileged or confidential. A motion based on subdivision (a)(3) of this section shall identify the parties in each existing lawsuit concerning which the public body expects to receive advice during the closed session.
- (d) Repealed by Session Laws 1993 (Reg. Sess., 1994), c. 570, s. 2. (1979, c. 655, s. 1; 1981, c. 831; 1985 (Reg. Sess., 1986), c. 932, s. 5; 1991, c. 694, ss. 3, 4; 1993 (Reg. Sess., 1994), c. 570, s. 2; 1995, c. 509, s. 84; 1997-222, s. 2; 1997-290, s. 2; 2001-500, s. 2; 2003-180, s. 2.)

Miscellaneous:

- On-going progress towards start up of Primary Care Tele-medicine project in January of 2013; equipment has been purchased and should be shipped to Health Department in November; project has been backed up until January due to time frame to apply for and receive NPI and other provider numbers in order to bill for tele-medicine services.
- On-going progress towards completion of renovations to Health Department facilities; with the exception of running computer and telephone lines to the new Mental Health building (old storage building), that facility is ready for occupancy and Mental Health has moved into this building; Health Department's budget includes \$5,000 in for renovations to Home Health's new building (old Mental Health building) contractor to begin work middle of November; approval received from Section Chief of the Women's and Children's Health Section to use Medicaid Escrow Funds for final renovations to new Health Department clinic (old Home Health space) same contractor will begin work in conjunction with work on Home Health's new location. Target date for completion is the first of January 2013.
- There were no (0) animal control incidents for the month of October, although the Animal Control Officer II and staff at the Health Department are continually receiving concerns about mistreatment of animals.
- Home Health Nurse (in Trainee status due to lack of nursing experience) has been hired, effective October 29, 2012.
 This is welcome news, as we limited admissions in October due to the nursing shortage and the fact that our staff was running behind on their documentation. Adding the new nurse will allow everyone to eventually get caught up and reduce the need for comp and overtime.
- Hugh Watson's last full time day with the Health Department will be November 8th; he is using his vacation through the
 end of the year, will return for one (1) day and then be out completely for 30 days; he will then return on a part-time
 basis sometime around the first of February 2013.
